Representative Development Program Information for 11 and 12 year olds

The Ballina Netball 11 and 12 Year Rep Development Program will commence after the school holidays. The aim of the program is to give our youngest athletes the opportunity to experience Rep Netball and give them the confidence to consider trialing for a team next year.

Training Dates

Training will take place on Monday evenings from 5:30 - 7:00pm for 6 weeks starting on 30 April. Athletes must attend training to be eligible for selection into a team.

Carnivals

Teams will be selected to attend the following Representative Carnivals

Sunday 20 May - Casino

Sunday 3 June - Lower Clarence (at Maclean)

Athletes will need to make their own transport arrangements to and from carnivals.

Selections

If selections are necessary, they will take place on Monday 14 May for Casino carnival team/s and Monday 28 May for Lower Clarence carnival team/s. Teams will be announced on Ballina Netball website.

If we have enough athletes and coaches and the carnival host allows, we will enter more than 1 team into the carnivals to give everyone the opportunity to experience at least one carnival.

If your child is not selected into a team, they are still encouraged and welcome to attend all training sessions.

Who can play?

To be eligible for the program, athletes must be turning 11 or 12 years in 2018 (ie born 2006 or 2007) and playing in the Ballina Netball Saturday Winter competition.

How much does it cost?

The cost of the program is \$30 which includes Umpiring fees for carnivals. A uniform will be loaned to athletes attending carnivals.
